PERFORMANCE REQUIREMENTS

- Please determine a change room/area for the performers. As the artists perform on the gym floor in front of the stage, the stage itself (with the curtain closed) works well as a change area. If that is not possible, one of the gym's change rooms could work as long as it is easily accessible to the performance area, and locked to the hallway (so students do not enter)
- Performance space should be mopped/swept prior to performance
- The artists bring their own P.A. system; the only requirement is access to one functioning AC outlet to power their gear
- In the colder months, please ensure the gym has been heated to a reasonable temperature prior to artists' visit. Likewise in warmer weather, please cool the gym as required
- The artists will bring cones to outline audience seating. Please seat the children right up to the cones but leave an aisle down the middle. Chairs and benches at the sides (for teachers) are recommended
- While the offer is appreciated, students are not required help load-in/out gear as the artists would prefer to manage their own equipment
- Taking of photos or video is permitted as long as it is discussed with Cadence beforehand (please send copies of photos to info@cadence-unplugged.com)
