

ARIKO

DIGITAL STUDY GUIDE: Danse et rythmes traditionnels

Workshop Description

Students will join Ariko to learn a basic rhythm on spoons and a simple step dance. Peppared with traditional music and French vocabulary, this digital workshop will provide a cultural experience that aims to build success and skills that can later be applied in the classroom setting.

Members of Ariko look forward to meeting students for a live Q & A following the workshop.

During this workshop students will have the opportunity to:

1. Meaningfully learn, use and respond to French vocabulary.
2. Learn about the French culture/language and associate this learning with a rich and enjoyable cultural experience (traditional music)
3. Learn a rhythm that can be performed on a basic musical instrument.
4. Learn 4 steps to a traditional dance accompanied by traditional music. Next challenge: have students create their own original steps!
5. Become familiar with instruments used in traditional music.

Vocabulary:

la fève - the bean (sounds like our family name « Lefaive »)

un haricot - a bean (sounds like our band name « Ariko »)

le papa - the dad

la maman - the mom

la musique traditionnelle - traditional music

le violon - the violin

le clavier - the keyboard

l'accordéon - the accordion

la guitare basse - the bass guitar

danse à claquettes - step dance

'ti-galop - little gallop

shuffle - shuffle

l'orteil - the toe

le talon - the heel

le pied - the foot

la cuisse - the thigh

le pas - the step

un, deux, trois, quatre - one, two, three, four

Audio Link:

Link to [slow](#), [medium](#) and [fast](#) practice tracks for additional practice of 4 basic steps taught in the workshop. Students could be encouraged to create their own original step to personalize this dance! Students can also practice the “ti-galop” rhythm to this piece on spoons or another percussion instrument.
